Exhibition

Sabah Job & Entrepreneur Fair 2018 aims to provide greater career and entrepreneurship prospects for Sabahans. This one-stop career fair is a perfect platform for connecting job seekers and up-coming entrepreneurs with leading companies from across industries. Thousands of job seekers, both fresh graduates and experienced professionals from all over Sabah, are expected to gather under one roof for an ultimate career networking event. Sabah Job & Entrepreneur Fair 2018 also hosts career guidance and entrepreneurship skills training to provide skill refining opportunities.

Objective

- To create a unique platform for private sectors and government to collaborate, ensuring a combined effort to combat unemployment rate in Sabah
- To create better career and business opportunities for Sabahans
- To create networking opportunities for job seekers, entrepreneurs and leading companies from across industries
- To create right pathways for job seekers and ensure their unique skills are contributed towards the suitable industries
- To update job seekers on the current industry developments and job trends
- To offer entrepreneurial opportunities to up-coming entrepreneurs

Why Exhibit?

- Corporate exposure amongst job seekers, entrepreneurs and leading companies from across industries
- Networking opportunities with more than 100 companies and 10,000 visitors
- Opportunity to forge new collaborations with key decision makers
- Access to a large number of skilled candidates from across Sabah and surrounding region
